“At the leading edge of light”, Metropolis, 1999
“One of the top lighting designers in the US”, Departures by American Express, 1999
“Top 25 Retail Lighting Design Firms”, Display and Design Ideas, 2002

BENYA LIGHTING is the professional lighting consulting practice founded by James Benya. Located in the metropolitan Portland area, we provide consulting services throughout North America and the world.

In a 34 year career, James Benya is widely recognized as one of the world’s top authorities on lighting design and applied illuminating engineering. He is especially known for his work in the field of design with emphasis on lighting efficiency and sustainable design.

Services include a wide range of lighting and daylighting consulting services including site evaluation, design and specifications, expert research and testimony, education and teaching, technical writing and product development.

MEMBERSHIPS AND AFFILIATIONS

*Fellow and Chairman of the Board of Fellows,
